Sir:

Petition is hereby made to accept color drawings in this application.

1. Drawings

Submitted herewith are three (3) sets of color drawings (15 sheets in each set, Figures 1-17D) for examination, copying, and archival purposes (see 1211 OG 34, June 9, 1998).

2. Necessity of Color Drawings (37 C.F.R. § 1.84(a)(2))

The color drawings are necessary because they are believed by Applicants to represent the only practical medium for disclosing the subject matter sought to be patented, in that the information shown (1) is believed to be necessary to facilitate an understanding of the claimed subject matter, as discussed in the application at pages 5-28, and (2) could not easily and satisfactorily be conveyed in black and white.

3. Amendment under 37 C.F.R. § 1.84(a)(2)(iii)

An Amendment to insert the statement required by 37 C.F.R. § 1.84(a)(2)(iii) is enclosed herewith.
